

CARLIN HOUSE

PALMYRA

HISTORICAL SOCIETY

JUNE 1984

PROGRESS

Work on the restoration of the CARLIN HOUSE is progressing at good speed, thanks to the generosity of Society members and friends. We realize that many of you cannot help us physically and your cash donations are greatly appreciated. Through your generosity we have been able to begin work on the kitchen and dining room, which will complete the downstairs area. We are very excited about the legacy we will leave to future generations of our citizens. This project truly belongs to all present and past residents.

Our video-tape collection now numbers 11 with the completion of the special 100 Years of Old Settlers tape. Two additional tapes are in the planning stage. We think that we have one of the finest treasuries of memories of the past possible.

The COOKBOOK project is in full swing, with Betty Lampsa busy typing the recipes for the printer. We anticipate completion by Old Settlers Day. The price has not been determined at this date.

Anyone having items for our Rummage Sale on July 21 may contact Carol Calkins or Dorothy Johnson who will arrange for you to drop them off - No clothing, please.

We thank all persons who have contributed old items and pictures to our collection. We are always receptive to those items, and they are tax deductible if you desire.

THE OLD SETTLERS COMMITTEE has plans almost completed for an old fashioned celebration. The committee has tried to make this a day which closely resembles those of historical memory. We hope to see all of you and hope you will enjoy the weekend.
