SUMMER 1985

NEXT MEETING 1:30 P.M. JUNE 15, 1985 - CARLIN HOUSE

~~NEXT MEETING JUNE 15th
1:30 P.M. LEGION HALL~~

A LETTER FROM YOUR PRESIDENT:

Now that we all have our own spring cleaning done and behind us, let's not forget that the FISK CARLIN HOUSE also needs its spring cleaning. Spring cleaning at the Carlin House (downstairs) is going to require dusting and straightening. The upstairs, however, is the next challenge and may well extend to being our spring, summer & fall cleaning. This will include renovating one bedroom to a bedroom/nursery, another to a collectors/museum room and finally the kitchen to an office.

We need members that do more than pay their dues -- we need those that are willing to strip wallpaper, paint, scrub, sort, catalog & assist in the outfitting of these new rooms. An hour here, there, & everywhere can be just as helpful and rewarding as an entire day's work. Any time you feel you have a few hours or an entire day to offer to your historical society, please contact Carol Calkins 495-2432, George Lehner 495-4580, or Donna Fanshaw 392-2770.

You can get to know your Palmyra Historical Society better by lending your hand to our spring cleaning projects and regularly attending our meetings.

NEWS & NOTES

At the regular board meeting on Monday April 8, 1985 a bid by Fischer Heating for a new furnace was approved. The new furnace was installed on April 11 & 12... Thanks Rusty for the terrific service - it is greatly appreciated....Spring plans for cleaning and restoration were approved.. plans for a clean-up for the barn were finalized...All of the windows on the ground level are now covered with plexi-glass...Thanks to Terry Johnson who came through with the usual fine job...plans for showing the CARLIN HOUSE this summer were discussed...we will try different days of the week during the summer to see which is most popular with visitors.. These days will be advertised in advance...it is usually possible to tour the house when people are working there...Old Settlers Day plans will soon be made since the committee has now been chosen...several additional projects are in the forming stages, but their publication would still be premature.
